GOT QUESTIONS?

Frequently Asked Questions

Clear answers regarding required forms, turnaround time, and appointment protocols.

Is prior appointment necessary before visiting the lab? +

Yes. To ensure zero waiting time and personalized attention by senior forensic examiners, all applicants must schedule an appointment prior to visiting.

Do I need to carry my own fingerprint forms (e.g. FBI FD-25

Chat on WhatsApp

No. We maintain fresh, original stock of official FBI FD-258 cards, Canadian RCMP forms, Singapore PCC formats, and standard consular sheets in our laboratory.

What identification documents must I bring to the appointment? +

Please carry your original valid Passport, Government photo ID (Aadhaar Card, Voter ID, or Driving License), two recent passport-size photographs, and any official letter received from the embassy or employer.

How long does an ink-and-roll fingerprinting appointment take? +

A standard session takes approximately 20 to 30 minutes, which includes ID verification, test impressions, rolled card recording, and signing the examiner certificates.
